Did you know that CAFOD reached 105,000 people in Zimbabwe last year with its livelihoods programmes? Patience is 32 years old, living with HIV and AIDS, with her unemployed husband and 8 children. Through CAFOD she received 2 goats, sees, fertilisers, garden tools with farming training, and her household received a latrine. The goats have increased to 7. The seeds supply constant fresh vegetables, Patience has access to clean water and none of her family has suffered from water borne diseases. Thank you for giving Patience this lifeline.
